

Winter Fix

Getting prepared this year means staying productive next year. And there's no better way to get your equipment ready for next year than with TNT Equipment's Winter Fix Program.

Maintain your equipment now and get a 10% discount, plus discounted pickup/delivery available for most equipment. A parts/labor minimum is required. Payment due upon completion of work.+
Call for details.

810.648.4050

+This Winter Fix Discount Program requires payment immediately upon completion of work. Payment may be in the form of cash, Visa, Mastercard or CNH Credit Card which offers deferred payments and interest to qualifying customers.

*Excludes Grinders and Spreaders, call for details.

You've invested in
GUIDANCE EQUIPMENT
Now make sure it's up to date.

Installation of the latest firmware and calibration can be performed at your farm.
\$150.00 per system.*

Call Paul to Schedule

* Both update & calibration will be performed at the same time.
Valid December 1, 2011 - March 1, 2012.
